THE TAXPAYER DOES NOT HAVE ANY ACTIVITIES GENERATING UNRELATED BUSINESS TAXABLE INCOME (AS DEFINED IN IRC §512(A)) IN THE CURRENT YEAR. FORM 990-T IS BEING FILED TO COMMENCE RUNNING ON THE PERIOD UNDER THE STATUTE OF LIMITATION FOR REPORTING UNRELATED BUSINESS INCOME.

Public Disclosure Rules for Form 990

Tax-exempt organizations are required to make a copy of their Form(s) 990 for the last three years available for public inspection, and to provide copies of such forms to individuals or organizations that request copies.

Following is a summary of the public disclosure rules, and a copy of your Form 990 that may be used to comply with such rules. Please note that the public disclosure copy of Form 990 may omit names and addresses of contributors. **Form 990-T can be excluded only for returns filed prior to August 18, 2006.**

Public Inspection

Tax-exempt organizations must make Form 990 (and Form 990-T as shown above) available for public inspection, and provide copies upon request, at its principal office and at certain regional or district offices during normal business hours for three years from the due date of the return.

The following rules apply unless you make your public disclosure copy available on the World Wide Web via the Internet:

- Anyone requesting a copy in person must be provided a copy on the day of the request. If the request places an unusual burden on the organization (such as a request made just before the close of the normal business day), the copy must be provided on the next business day.
- Any request submitted in writing (via mail, etc.) must be honored within 30 days of receipt of the request or prepayment of copying charges (if prepayment is required).

Fees

No fees may be charged for public inspection. However, you may charge a fee for providing copies. Currently the permissible fee is \$1.00 for the first page and \$.15 for each additional page. You may require that the fee be paid in advance.

Penalties

There are substantial penalties that may apply for failure to comply with either the public inspection rules or the requirement to provide copies on request. However, there are rules designed to protect tax-exempt organizations from harassment campaigns.

If you have questions about these rules, please contact your BKD representative.

Public Disclosure for Tax-Exempt Organizations

Tax-exempt organizations are required to make a copy of their Forms 990 available for public inspection, and to provide copies of such forms to individuals or organizations that request copies. Alternatively, the Internet may be used to make these documents available. (See the "Using the Internet" section which follows.) These rules apply to an organization's Forms 990 for the last three years and to its application for exemption if it was filed after July 15, 1987. An organization may exclude from the disclosure copy of its return the donor lists and Forms 990-T. Form 990-T can be excluded only for returns filed prior to August 18, 2006. A failure to comply can result in an enforcement action by the IRS.

Effective for Returns Filed After August 17, 2006

The *Pension Protection Act of 2006* extends the public inspection and disclosure requirements and penalties applicable to Form 990 to Form 990-T of Code Section 501(c)(3) organizations. Certain information may be withheld by the organization from public disclosure and inspection if public availability would adversely affect the organization (*e.g.*, information relating to a trade secret, patent, process, style of work or apparatus of the organization).

While the rules create an additional burden, they also provide an opportunity for your organization to showcase the community benefits that it provides. The rules also heighten the need to carefully review all responses, including narrative explanations, contained on your Form 990/990-T before filing.

Where Must Information be Provided?

Generally, an organization must make its documents available for public inspection at any location where it has three or more employees. If the only services provided at the site are in furtherance of exempt purposes and the site does not serve as an office for management staff, the documents are not required to be made available there.

How Quickly Must Organizations Reply?

Requests for copies can be made in person or in writing. When requests are made in person, the copies must generally be provided on the same business day. There are provisions for delays due to unusual circumstances. However, in no event may the period of delay exceed five business days. Unusual circumstances include times when those staff that are capable of fulfilling a request are absent.

Written Requests

Requested copies generally must be mailed within 30 days from the date of the receipt of the written request. However, if the organization requires advance payment of a reasonable fee for copying and postage, it may provide the copies within 30 days from the date it receives payment rather than the date of the original request.

What Can an Organization Charge?

You are currently allowed to charge a maximum fee of \$1 for the first page and \$.15 cents for each subsequent page in addition to actual postage costs.

If any organization receives a written request for copies with no payment enclosed and the organization requires payment in advance, the organization must request payment within seven days from the date it received the request. An organization is required to accept a personal check for written requests if it does not accept payment by credit card. If an organization does not require prepayment and the requester does not enclose a prepayment with the request, the organization must receive consent from a requester before providing copies for which the fee charge for copying and postage would be in excess of \$20.

Local or Subordinate Organizations

A local or subordinate organization that is covered by a group exemption letter is given additional time for responding to some requests. If this type of organization receives a request made in person for inspection of its application for tax exemption, the local organization is required to acquire and make available the application for a group exemption letter filed by the central or parent organization within not more than two weeks. The same general rule would apply with respect to a local or subordinate organization that does not file its own Form 990/990-T but is covered under a group return. Again, the local or subordinate organization must make the group return available for inspection within a reasonable period which is defined as not more than two weeks. If the group return includes separate schedules with respect to each local or subordinate organization, the local or subordinate organization may exclude or omit any schedules relating only to other organizations which are included in the group return.

If a request is made for a personal inspection to a local or subordinate organization, it has the option of mailing the return to the requester rather than allowing an inspection. However, if this is done, the local or subordinate organization may not charge for the copying of the document unless the requester consents to the charge. If a local or subordinate organization receives a request for copies, then it must comply with the rules stated previously.

Using the Internet

As an alternative to providing copies, an organization may provide access to its exemption application and Forms 990 (and Forms 990-T filed after August 17, 2006) through the Internet. The information on the World Wide Web must be in such a format that it may be accessed,

downloaded, viewed or printed in the same format as the actual documents. Obviously, an organization would need to make the Worldwide Web address available to the general public.

There is nothing that prevents others from posting your Forms 990 or 990-T and exemption application on the Internet. Based on this fact and the potential strain on your organization's resources from providing copies, organizations should consider posting these documents on the Internet.

What if the Requests are a Form of Harassment?

If an organization feels it is subject to a harassment campaign, it can file an application for a harassment determination with the Internal Revenue Service. This would allow the organization to suspend compliance with these requests. In addition, an organization may disregard requests for copies in excess of two per month or four per year made by a single individual or sent from a single address, without submitting an application for a harassment determination.

Conclusion

For better or worse, many organizations are going to see an increase in requests for their Forms 990 and 990-T. BKD is here to assist you in the preparation of your return to ensure that your organization is putting its "best foot forward."
